How can you
benefit from the
Investment
Report?

Overview on the dynamics of the construction sector

After 6 or 12 months of subscription to the Investment Report you will be able to make interesting statistics on who, what and where is being built in Romania.

How will you
receive the
Investment
Report?

You will receive our Investment Report every
week, on **FRIDAY**, by 12 o'clock PM in your
e-mail inbox.

What domains to choose from

According to your interest field you can choose from:

Industrial Construction

All that involves warehouse structure: factories, storehouses, logistic centers, industrial parks, production units, workshops, wash houses, farms, slaughter houses, and commercial projects like showrooms, shops, supermarkets, hypermarkets, malls etc. This domain includes also clearance stations and gas stations.

Civil Construction

It includes projects like: hotels and pensions, blocks of flats or residential districts, homes, villas, schools, different institutions, office buildings, office quarters, restaurants, etc.

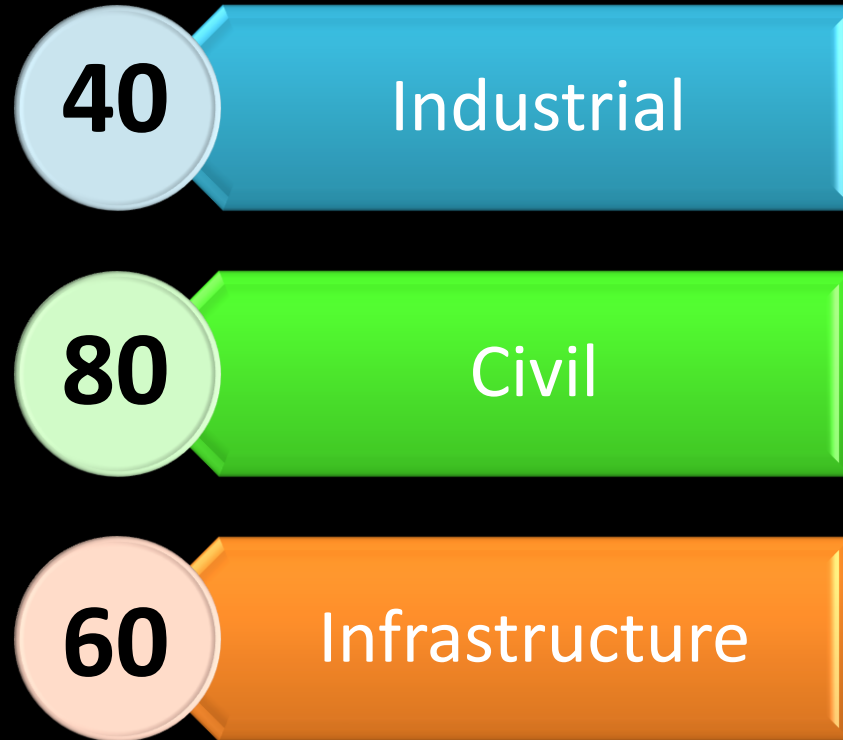

Infrastructure

The urbanism projects: rehabilitation and road modernization, water and sewage networks, parking lots, ring roads, bridges, bituminous treatment works, etc.

How many projects will you receive?

Every week you will receive scores of construction projects, as followed:

We offer at least one contact information for every project, which means that every project brings you at least one new potential client.

Staying ahead of your competition

It is very important to find out about a project before your competitors do. A priority for us is to insure you, by our Investment Report, that this will happen.

Over **70%** of the investments you will receive are in the project or auction phase.

Why should you trust us?

We are **experts** in finding out about the investments realized in Romania: we cover over 80% of all that is being built in the country.

We continuously **study** the construction market: we have realized many market reports in this field - www.iresearch.ro

Our clients trust our work as their feedback proves it. You can read their **recommendations** [here](#).

...and, because we know how to **turn pain into amusement** whenever a good opportunity appears. [See for yourself](#).

If you are still not persuaded, contact us anytime. We want to know you!
